What is QuizPulse?

QuizPulse is an imaginary interactive quiz game designed to make studying feel more like a game. Pick a subject, answer questions, collect points, unlock rewards, and climb through fun learning levels.

Quick Start

- ① Open QuizPulse
- ② Choose a topic
- ③ Start a quiz
- ④ Submit each answer
- ⑤ Collect points
- ⑥ Check your level and progress

1. Your QuizPulse Adventure

1

Choose a Topic
Select Science, English, History, Maths, or another available subject.

2

Answer Questions
Read the question and choose the answer you think is correct.

3

Earn Points
Correct answers add points to your score and help your progress.

4

Unlock Rewards

Collect badges, cosmetic items, and other imaginary rewards.

□ Student Tip: Don't rush! Read every question carefully, use mistakes as learning clues, and try the quiz again to improve your score.

LEVEL UP YOUR KNOWLEDGE

Points, progress, rewards & your imaginary QuizPulse journey

2. Understanding Levels

LEVEL 1 Newbie 0–99 pts	LEVEL 2 Thinker 100–249 pts	LEVEL 3 Scholar 250–499 pts	LEVEL 4 Expert 500–999 pts	LEVEL 5 Quiz Master 1000+ pts
-------------------------------	-----------------------------------	-----------------------------------	----------------------------------	-------------------------------------

3. Points & Rewards

- Correct answer: +10 points (example)
- Quiz completion: bonus points
- Streaks: extra imaginary rewards
- Badges: unlock for milestones
- Cosmetics: optional avatar accessories

4. Track Your Progress

Use the progress area to see your total points, completed quizzes, current level, best score, and learning streak. The goal is not just to reach the top—it is to understand more each time you play.

5. If Something Goes Wrong

Wrong answer? No problem—review the explanation and try again. Score not updated? Refresh the quiz screen and check your progress page. Need a break? Save your progress and come back later.
